### **OKOGA PRAISES OCC'S LATEST EFFORT TO ADDRESS EARTHQUAKES**

Oklahoma City, OK – July 17, 2015 – Today, the Oklahoma Oil & Gas Association lauded the Oklahoma Corporation Commission for its latest effort to address the rising number of earthquakes in the state.

“We appreciate the leadership of the Commission as it continues to take significant steps based on sound science to manage concerns regarding seismicity,” OKOGA President Chad Warmington said. “The early results from the Commission’s previous actions are encouraging, and we believe this new directive will have a positive impact as well.”

*The Oklahoma Oil & Gas Association is a non-profit association composed of oil and gas producers, operators, purchasers, pipelines, transporters, processors and service companies which represent a substantial sector of the oil and gas industry within the State of Oklahoma. The Oklahoma Oil & Gas Association is dedicated to the advancement and improvement of the oil and gas industry within the State of Oklahoma and throughout the United States.*
