STATEMENT ON AUBREY MCCLENDON'S PASSING

Oklahoma City, OK – March 2, 2016 – Chad Warmington, President of Oklahoma Oil & Gas Association, commented on the passing of Aubrey McClendon: “Today’s events are tragic in many ways. Aubrey McClendon was a pioneer in the oil and natural gas industry. His vision and leadership helped make Oklahoma the leader it is in oil and natural gas development. The impact of his life’s work is evident throughout the industry. He was also an incredibly proud Oklahoman who loved his state and demonstrated that through incredible generosity. Most importantly, he was a loving husband and father. We mourn with the McClendon family, and we will keep them in our thoughts and prayers.”

The Oklahoma Oil & Gas Association is a non-profit association composed of oil and gas producers, operators, purchasers, pipelines, transporters, processors and service companies which represent a substantial sector of the oil and gas industry within the State of Oklahoma. The Oklahoma Oil & Gas Association is dedicated to the advancement and improvement of the oil and gas industry within the State of Oklahoma and throughout the United States.
